

VitalTransformation

Better Science. Better Health.

NANCY S BERG

ISPOR CEO & EXECUTIVE DIRECTOR

ISPOR's Global Stakeholders

Strategic Pillars

Scientific and Research Excellence

ISPOR is committed to strengthening the integrity, advancement, understanding, and use of health economics and outcomes research among researchers, health technology developers and assessors, regulators, health economists, health care policy makers, payers, providers, patients, populations, and society.

Member Engagement

Through its worldwide membership and stakeholder groups, ISPOR has access to the ideas, knowledge, skills, and experiences that enable achievement of its mission. ISPOR offers membership benefits that are valued and essential in members' professional growth.

Organizational Values

Knowledge and skill building are at the core of the ISPOR mission. ISPOR will lead efforts to strengthen and expand capabilities in health economics and outcomes research.

ISPOR will be a valued and reliable resource for translating knowledge into practice for decision makers and stakeholders, who include members, providers, payers, patients, professional societies, foundations, health authorities, the media, and others.
