

Advanced Therapies – Opportunities and Challenges

R&D and Commercialisation 2020 –
Maximising the Value of European Innovation

EBE – a forum for emerging science & innovative technologies

EBE vision & mission

EBE is Europe's expert voice for emerging bioscience & technology and the leading platform for the health innovation ecosystem.

We provide an active forum for stakeholder engagement where emerging knowledge and expertise meets and prepares the regulatory and entrepreneurial policies and conditions to accelerate therapeutic innovations to patients.

EBE is a specialised group of EFPIA.

EBE – Partner of choice for biopharma

500

+

EBE brings together 500+ experts in biopharma product development

50+

Companies representing companies of all sizes (60% of them SME - Mid Cap)

C
Level

C-level strategy setting board

Financially self-sufficient and sustainable

Benefits from strong collaboration with key stakeholders at EMA – (CAT, BWP, BMWP), EC, EIB, EIF, patient organisations, investors, medical societies and national biotech associations
